

CERAMIC TILES – MADE WITH DEBORAH TOMPSETT – AUTUMN 2022

The highlight of our autumn season was a short course on ceramics led by Rotherfield's local artist, Deborah Tompsett. We created beautiful ceramic tiles, which we hand decorated with 3-D motifs and colourful glazes. We thoroughly enjoyed our sessions with Deborah and were delighted by the final pieces, all of which survived their clay-firing! We are most grateful to Deborah for all her time and patience in helping us to create these:
