St Denys' Craft Group

Autumn Programme

September - November 2021

The Craft Group meets for formal sessions on the **1st & 3rd Thursdays of each month**, when different skills or techniques are introduced.

On the other Thursdays in the month, materials and equipment are available for anyone wishing to meet informally to continue with projects from previous sessions.

All sessions take place in St Denys' Church from 14:30 to 17:00, unless otherwise stated.

No previous crafting experience is required – the Craft Group is open to all - complete beginners and seasoned crafters are equally welcome!

Please come along for any or all of these sessions
To assist with the Committee with the preparations, it would be much appreciated if you can confirm attendance each week by **Tuesday evening**.

For further information visit our website:
