## "FREE - CRAFTING" SESSIONS

During August we will be running informal sessions to give everyone an opportunity to catch up on their own projects from home. We will come together to share ideas and tips, make progress with crafts and to socialise over a cuppa with cake or biscuits.

The craft cupboard will also be open, giving access to much of the Craft Group's equipment and materials, so individuals can revisit some of our previous crafting activities, or try ones they missed, if they wish. There may also be the opportunity to try new crafts, for which we have limited resources.

**Please note** that there will be no formal instruction given at these sessions. Written instructions *may* be available for some of the activities and written Health and Safety advice will be provided.

**Anyone wishing to do a specific craft is advised to book this in advance, to ensure all the necessary kit is available**, since some is not stored at church.
